

EXPERIENCES AND TOURS

EXPERIENCES – BLEND YOUR OWN WINE

Create a Tawny That Is Yours.

Set among the casks and oak barrels of Churchill's Tawny Port lodge, guests are invited to discover the delicate art of ageing and blending Tawny Ports through a hands-on workshop guided by Churchill's winemaking team.

The experience centres around the award-winning Churchill's 20 Year Old Tawny Port, including the exclusive opportunity to taste cask samples from the very components that make up this remarkable blend.

To conclude this immersive journey, each participant will create their own signature blend and take home a personalised 20cl bottle of Tawny Port, labelled with their own unique style.

A memorable and engaging experience, designed to deepen appreciation for the craftsmanship, balance and artistry behind the creation of a signature Tawny Port from one of Portugal's distinguished Port houses.

As the Tawny lodge can be quite cool, guests are advised to bring a light jacket. The experience also includes a guided visit to the Churchill's cellars.

EXPERIENCES – WINE MASTERCLASS

A guided tasting. A conversation. An experience.

Some tastings teach you about wine.

Others invite you into it.

This experience is an invitation to taste wine alongside someone who lives it every day. In an intimate setting, the Head Sommelier leads a carefully curated journey that goes beyond the glass — where terroir, choices, instinct and emotion come together to transform wine into memory.

Each session unfolds as a conversation rather than a lesson. Wines are presented with intention and context, stories emerge naturally, and there is space for questions, curiosity and discovery. Nothing is rushed. Every flavour has its moment, every detail its meaning.

This is a tasting shaped by attention — to origin, to craftsmanship, and to the subtle elements that distinguish a good wine from an unforgettable one.

For those who love wine, for those eager to learn more, or simply for those who appreciate the pleasure of tasting with someone who truly knows.

THE EXPERIENCES

- **Six wines | 1 hour 30 minutes**
€85 per person
- **Ten Wines | 2 hours**
€135 per person

Both formats are guided with the same personal approach, allowing guests to choose the depth of exploration that best suits their curiosity. For further information and reservations, please contact the hotel. All bookings must be made at least 72 hours in advance.
