

WHAT TO VISIT

MAJESTIC CAFÉ

Historic café located in Rua de Santa Catarina. Its relevance comes both from the cultural atmosphere that surrounds it - the café tertúlia, where various of the city's cultural and artistic life - as well as its Art Nouveau architecture. It was considered the sixth most beautiful café in the world in 2011.

SÃO BENTO STATION

One of the most beautiful railway stations in the world. The main concourse is lined with 20,000 painted tiles by Jorge Colaço, which illustrate episodes from Portuguese history and the customs of the people of the north. people of the north.

BOLHÃO MARKET

Probably the most emblematic market in the city of Porto. Its construction is characterised by its monumentality, typical of neoclassical architecture. This market sells mostly fresh produce, especially food.

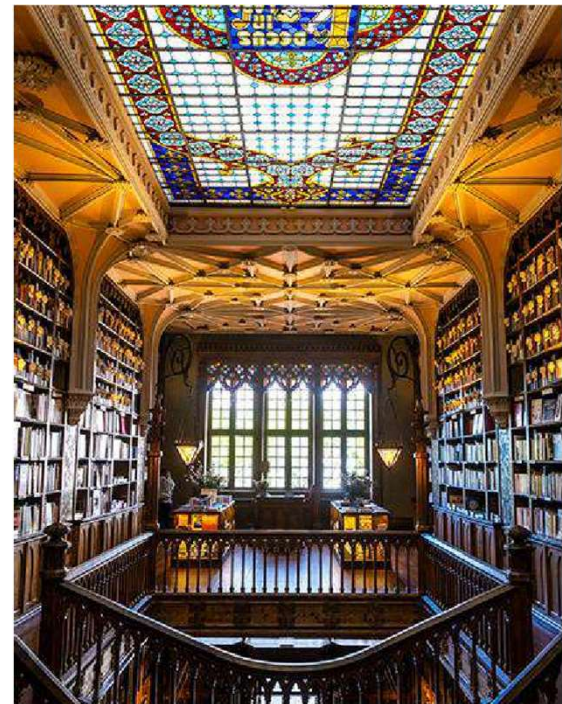

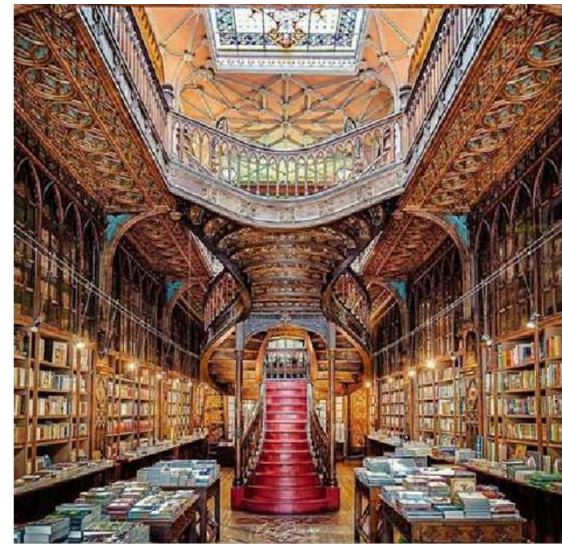

CLÉRIGOS TOWER

Built of granite stone, it rises from the west end of the church body. An unmistakable symbol of the city and extremely slender at 75 metres high, the Tower develops in rhythmic sections that culminate in a baroque decoration at the top. An interior staircase (225 steps) provides access to the top, where you can admire one of the most beautiful panoramic views of Porto.

LELLO BOOKSTORE

It is a Monument of Public Interest and is in the process of becoming a National Monument. Livraria Lello preserves the original beauty of its building. The neo-Gothic façade, the iconic red staircase, the iconic stained glass window and the shelves full of books from different eras and in different languages have attracted thousands of visitors.

As one of Portugal's oldest bookshops, and due to its unique historical and artistic value, Livraria Lello has been recognised as one of the most beautiful bookshops in the world by various personalities and organisations.

CATEDRAL

The cathedral and its cloister are two of the must-sees in Porto and the cathedral has deservedly been declared a National Monument. In the centre of the Sé square, you'll have a privileged view over the city, the Douro river and the wine cellars on the other side of the river.

SERRA DO PILAR MONASTERY

One of the region's most important tourist attractions. It offers visitors a magnificent view over the mouth of the Douro and the city of Porto. It is also the only circular church in Portugal.

SÃO FRANCISCO CHURCH

Gothic church in the historic centre of Porto. Construction began in the 14th century as part of a Franciscan convent. It is notable for its Baroque gilded woodwork from the 18th century.

SANTA CATARINA STREET

A shopping artery 1,500 metres long, it is Porto's main shopping centre. You'll find most of the national and international shops, but if you venture into the small side streets on either side of the street, you'll find many traditional shops.

FLOWER STREET

A landmark road in the historic centre that connects to the central areas. It is very busy with bars, restaurants and traditional local shops. You can also find street artists, musicians, jugglers, painters, photographers...

AVENIDA DOS ALIADOS

The city centre of Porto. It is topped by Porto Town Hall and flanked by a line of Art Nouveau and Art Deco façades. The avenue is named after the historic alliance between England and Portugal at the end of the 14th century.

SERRALVES MUSEUM OF CONTEMPORARY ART

Portugal's first contemporary art museum. It also includes a park and a fagrm. Through its collection, temporary exhibitions, performances and various initiatives, the museum promotes the understanding and appreciation of contemporary art and culture.

WOW – WORLD OF WINE

A cultural neighbourhood in Vila Nova de Gaia, close to the historic area and the Port wine cellars. With 7 museums, 12 restaurants, shops and much more to discover.

NATIONAL MUSEUM SOARES DOS REIS

The former Museu Portuense and the first art museum in Portugal. It was created in 1833 with the aim of preserving the artistic heritage that came mainly from extinct convents and, at the same time, promoting its use for cultural and educational purposes.

CASADA MÚSICA

Porto's main concert hall. Located on Avenida da Boavista, it was designed by Dutch architect Rem Koolhaas as part of the Porto European Capital of Culture event in 2001, and immediately became an icon of the city.

PALÁCIO DE CRISTAL GARDENS

Located in the centre of Porto, these gardens were designed by Emil David (1839-1873) as part of the construction of the Palácio de Cristal building itself.

CITY PARK

It is considered to be the largest urban park in the country and its naturalised green areas stretch all the way to the Atlantic Ocean, excellent for birdwatching, a nature walk or a picnic.

PALÁCIO DA BOLSA

A building with a mixture of architectural styles, with interior areas panelled in gold. The Arab Hall is the most striking of all the rooms in the palace, due to the 19th century stucco work engraved in gold with Arabic characters, which fills the walls and ceiling of the room.

PORT WINE CELLARS

Located in Vila Nova de Gaia. They offer an unforgettable experience, with guided tours and a selection of port tastings. Learn about the history of Port wine and how it is produced, while admiring the centuries-old bottles and the different barrels used.

LUÍS I BRIDGE

A double-deck metallic railway, road and pedestrian bridge over the River Douro that connects the cities of Porto and Vila Nova de Gaia. It was built between 1881 and 1886 and has been classified as a Property of Public Interest since 1982.

WHAT TO VISIT WITH CHILDRENS

ZOO SANTO INÁCIO

The largest and greenest zoo in northern Portugal. Located just 10 minutes from the centre of Porto, it currently houses 800 animals from 270 species.

SEA LIFE AQUARIUM

Immerse yourself in the fantastic underwater world and travel to the depths of the oceans to discover the most incredible and curious creatures. Sea Life has more than 30 aquariums and 3,000 creatures.

WORLD OF DISCOVERIES

A themed, interactive space dedicated to the Portuguese Discoveries, located in the old Real Companhia Velha warehouses in Miragaia, in the historic centre of Porto.

3D FUN ART MUSEUM

The 3D Fun Art Museum is an original and innovative museum concept. Here, visitors are invited to experience art by being part of it. Through rooms and screens, more than 40 scenarios in total, the visitor, through their imagination and the three-dimensional effect, enters a world of fun.

NEONIA

Neonia is an ever-new and fascinating place, inspired by the curiosities of an unusual port, capable of transporting visitors to the dimension of the fantastic. Between neon and cyberpunk colours, retro futuristic settings and interactive displays, a stroll through Neonia promises to be an adventure for the senses and a challenge for the mind.

MINIGOLF PORTO

The circuit spreads over 320 square metres, with a total of 18 holes spread over three floors. Graffiti and pieces of art created in collaboration with Portuguese artists mark the irreverent and very instagrammable decor. The traditional lights are replaced by ultraviolet LEDs, which create a colourful and psychedelic atmosphere. The balls become fluorescent, and the level of difficulty increases.
